(Chinese shoes Network - the most authoritative and most professional Footwear News) [Chinese shoes Network - Brand News] November 3, 2012, in Hangzhou. The world's leading sports brand Adidas building in Hangzhou launched in 2012 Adidas Outdoor Terrex brisk fearless outdoor campaign. Meanwhile Hangzhou Tower Adidas outdoor specialty stores also officially open for business, provided including Terrex, including a series of high-quality outdoor products Adidas Hangzhou outdoor enthusiasts. In the ensuing month, Adidas will continue to provide consumers with four cities across the country to bring Terrex products advocated by the "brisk fearless" outdoor experience.

Mr. Gao Jiali (Mr. Colin Currie), general manager of Greater China director of Adidas Group, said: "We are very excited to be able to carry out Adidas sports market in China the core area of" 2012 brisk Fearless "We believe the Chinese sports outdoor expansion. Events will bring greatly promote our "2015 strategy", the primary strategy of our development in the Chinese market is to create and enhance the Adidas brand, Adidas brand infinitely close to the consumer. Adidas has been committed for outdoor athletes from around the world and enthusiasts to provide top-notch products and equipment, helping them to challenge the outdoor extreme sports, experience the "whole-heartedly," the spirit of the movement, and constantly challenge, beyond themselves. "

2013, Adidas outdoor store will be stationed in Shenyang, Changchun, Hangzhou and Xi'an and other cities, and in Shuangyashan, Changchun, Harbin, Shijiazhuang, Tianjin, Wuxi and other cities roadshows, so local consumers live experience Adidas Terrex's "brisk fearless." (Chinese shoes Network - the most authoritative and most professional Footwear News) ; ; ; August 5, the world's second-largest sporting goods maker Adidas (DE: 500340) second-quarter earnings rose 12% over last year. Meanwhile, the Euro 2008 football tournament to promote sports shoes sales surge, and helped the company digest the negative impact of rising cost of sales, the company also raised its full-year profit forecast.

;;; The company announced second-quarter earnings rose from 104 million euros a year earlier to 116 million euros (about 181 million US dollars).

;;; This size only to Nike (Nike) (NKE) sporting goods company reported second-quarter sales increased 5% year over year, to 2.52 billion euros. Dollar completely offset the Taylor Made-Adidas Golf and Reebok brand sales growth.

;;; Wall Street analysts had expected the company's second-quarter profit 112 million euros on sales of 2.55 billion euros.

; ; ; reason for the company's earnings to the rapid growth is improved product design, and the integration of Reebok into the company after the sharp decline in costs.

; ; ; CEO Herbert - Hainer (Herbert Hainer) said that, in view of poor macroeconomic environment, the company's second-quarter performance was "very good."

;;; impact of bad economic environment is also reflected in the company's orders.

;;; Adidas brand product orders in the second quarter rose by only 1%, while the first quarter growth of 5%.

; ; ; Reebok orders were down 21%. Currently, the company is still trying to help the US athletic footwear sector to achieve recovery. yesterday integrity is the London Olympic Games will countdown to the opening ceremony of the 100 days of the day, and in order to cope with the event in the sports sector this year, air jordan also yesterday released non GS version of (GS version again before has been listed) Olympic theme air jordan vi. And this white and blue color of the shoes compared to the previous Beijing Olympic Games in terms of color, looks like a monotonous, but careful taste will be found that the white blue color also has its own commemorative significance.

first of all the deep blue lines used in this shoe, careful observation will find that this is consistent with the blue of the British National flag. And the white part of the red LOGO and again to verify the fact that the shoes like the color of the British flag. But whether it is the British color or Olympic color, the shoes will also be a very meaningful series. So the friends who like to pay attention to our follow-up report on the sale of information.
