Chinese shoes network Sept. 16 news Olympic sports brand on sale starting today, the highest funds raised from the original HK \$ 1.56 billion to HK \$ 1.9 billion overweight.

reporter was informed that since the 2007 and 2008 Anta and Xtep has successfully listed in Hong Kong capital market financing had become a crucial target Quanzhou clothing brand. However, last year's field of international financial crisis, leading to the capital market has shrunk dramatically, so 361 & deg , Peak and many private enterprises have to suspend the listing of Quanzhou pace. This year the stock market rebound, 361 & degtime before the Olympic, in June officially entered the capital markets. In everyone's expectations, the Peak can speed up the pace of listing in Hong Kong.

It is reported that the Olympic sales exceeded 1.8 billion yuan last year, the total number of stores reached more than 5100, an average annual growth rate has remained at 80%. Analysts believe that, by signing the international star endorsement, sponsorship of the team, success has become an official partner of NBA China market and other cooperation to expand the international market is very successful Olympic marketing tool. Especially domestic sports brands have ventured into the basketball extremely cautious, so Olympic basketball shoe market share in the mainland has exceeded NIKE and ADIDAS rose first. According to the plan previously disclosed Peak Group CEO Xu Zihua, and this year will open 1,000 new stores, from the first-tier cities into second and third tier cities, and plans to set up global R & D centers in the United States.
