

form Adidas running shoes for men and women will be the introduction of such intelligent shoes. The new design of the shoe sensor with a battery-powered, the microprocessor and the motor, named the 1st shoes, beautiful and lightweight flexible modeling, expected to be introduced to the market by December, priced at about \$ 250.

a sensor located in the heel of the shoe can read 20,000 times per second the data is embedded computers make 10,000 calculations, and then issued a directive to make micro-motors and make the appropriate changes. The purpose is based on changing the status and runners peculiar gait so that the shoes make the appropriate changes. The shoes and a button controls, light-emitting diode display settings and do not write with a read-only CD-ROM, to teach users how to use the pair of shoes.

. This kind of shoes are by scientists at North American headquarters of Adidas Christian emperor present Mr. Neto led a research team from the beginning of 2001, when the wearer wearing the kind of shoes and running, it will the ability to adapt to adjust the pad. It is reported that a study is strictly confidential, even the name of the group outsiders have no way of knowing. In addition to the development team of seven designers, engineers, researchers and testers, few outsiders have seen this shoe molding process.

< p > although does not understand the Japanese, but also read past the shoes master journal, those exquisite images of original and typesetting, indeed for the magazine add a lot of reading value, even as in so as not to understand text also used to start, which may into the bag. < br / > gimmick, although less than the annual "all gone" exaggerated, but to fight the essential content of the magazine, the core and feel every year two "shoes master" will be superior, yesterday also officially launched a section 17 of the sale, but for many owners of "pay treasure" like try before you buy the habit of friends, did not see a preview of content feel heart difficult decision, it doesn't matter, yesterday in the "master of the shoes" official blog exposed part of the page content, used to pay treasure mode of friends may wish to preview, to make a conclusion!
