

The Soccer Champions League final will be in Lisbon and all the Champions League knockout stage of the competition, held two weeks after use, it praised the host city of Lisbon in the 16th century Age of Discovery of the great historical achievements.

Location compass and sextant used by stars in the sky

This design was inspired by the football Portuguese sailors set sail from this port of Lisbon, looking at the sky when the instrument used to find direction, the reference design when rendering route map . Two different shades of blue reflects the importance of both the sky and the sea to the city's maritime tradition, and the soccer ball skin orange inspiration from the Portuguese capital Lisbon everywhere beautiful terracotta tile roof.

This follows the pentagram spherical football stitching design Adidas from 2010 has been used, and before that five-pointed star pattern is printed directly on the sphere. Meanwhile, Adidas soccer within the foam material has been upgraded, so that improvements can make football in cold conditions and better rebound. So this "battle of Lisbon" once again been improved.
